Who can Participate?

Home Club, Associate members and Winterhurst learn to skate skaters are invited to participate.

Registration Opens Monday October 19! The sign up sheet will be with the ice monitors. You can choose to skate a solo, duo, trio or a larger group number. Group numbers can have non-members as long as there is at least 1 member in the group. If you are a member of a theater on Ice or Synchro team, your entire team can participate too and your group can perform a routine they already have. Skaters are responsible for costume, choreography, music and practices for your solos and group numbers. If practice ice is needed for a few group numbers, we can look into renting ice at a time that works for everyone. You can participate in more than 1 number if time allows. We want to make sure everyone has the opportunity to skate. If you want to participate but you are not around during club hours, please send an email to winterhurstfsc@gmail.com with your name, your freeskate level, the title of your song, the length of your song and if you are performing a solo vs a group number. We can add you to the list.

Deadline to sign up: **Tuesday November 24th**

Music:

You are welcome to skate to the music of your choice. However, we prefer you choose Holiday music. If you don't have a holiday theme number, you can perform your short program, showcase or dance routine. We will request you send us a digital copy of your music. Additional Instructions regarding where to send the file will be sent to the participants. **Music selection will be first come first serve.** We will try to avoid duplicates. Please remember to write your music title on the sign up sheet.

Duration of music will be according to your **Freeskate level** (as of October 31, 2026)

Seniors and Juniors: 2min 50sec (max)

Novices: 2min 40sec (max)

Intermediates: 2 min 30 sec (max)
